

2023 Annual Report

A message from Pastor Marco

Isn't it incredible to see that God is at work in and through Radiant Church? In the past year, we've continued to see growth and life transformation through the power of the gospel. That growth has propelled us into a building campaign as we prepare to build for future generations. I can't wait to see how God will work through each of you this year as we build His Kingdom here in our city. Thank you for serving, giving generously, and participating in the work of the gospel in the local church as we make Jesus known both locally and globally. Your sacrifice and service is making a tremendous difference. These are not just numbers on paper, but truly represent lives impacted and the gospel going forth!

Gratefully Yours,
Pastor Marco Salazar

Commitments to Christ

153 people made either a first time commitment or recommitment to Jesus in 2023! This is proof that lives are being transformed through the ministry of Radiant Church.

Baptisms

17 people went public with their faith in the waters of baptism in 2023. We couldn't be more excited for new life in Christ!

Child Dedications

We love families at Radiant Church and this year we celebrated **12** children being dedicated to the Lord! Each child represents a family making a commitment to raise their child in a God-honoring way.

VBS

This year during our annual Vacation Bible School, we welcomed **95** kids participating as well as **76** volunteers who served.

Serve Day

This year, we were able to serve our city through our annual Serve Day in August. Over **80** volunteers showed up to build beds for kids and do crafts and minister to the elderly. It was such a blessing and we cannot wait to continue to serve our community in 2024!

New to Radiant & Team Radiant

100 people attended New to Radiant in 2023 with many of them finding a home church here. We are grateful that many are connecting with God and others in and through the local church.

In 2023, we had over **215** people serve on Team Radiant. Whether greeting newcomers, serving behind the scenes on the media team, or helping with our kids ministry, these individuals make Radiant Church a home for many while helping accomplish the vision of reaching our city!

Radiant Groups

We believe that community is built best not only in the church building, but in small circles. We have seen so many open up their homes in the past year and are excited to see the deeper connections that will continue to be built in the future!
